# Our New Home - Links House

Our new building, named Links House, provides a world-class experience for locals and visitors alike to match our reputation as one of the finest links courses in the world. Located less than 10 minutes from Carnoustie's main trains station, and with ample guest parking, Links House is easily accessible for all of our guests.

Links House includes seven state-of-the-art golf simulators, an elegant new pro shop, and a contemporary bar and restaurant that boasts magnificent views over the golf courses and the sea.

The simulators allow golfers, visitors and locals to play and practice golf inside and presents a fantastic opportunity over the winter months when daylight is limited. Located just yards from the 1st tee of our world-famous Championship course, users have 12 courses to choose from on the simulators including the Carnoustie Championship Course, Wentworth and Pebble Beach.

One of the prominent features of the building is our impressive new restaurant and bar, The Rookery.

The opening of our restaurant means Carnoustie is now a destination for incredible food as well as world famous golf. With stunning views across the course to the sea, The Rookery showcases the best produce Scotland has to offer. Open for lunch and dinner, the restaurant offers a comfortable and relaxing eating space with outstanding service and style.

## Special occasions at The Rookery

The Rookery is a new venture showcasing the very best produce that Scotland has to offer, putting Carnoustie on the map as a culinary hotspot.

The Rookery is an adaptable space which can be suited to many special occasions, from exclusive use up to 80 guests perhaps celebrating a company awards dinner, to a more intimate birthday or a retirement party.

The new menu delivered by Head Chef Chris Hazelton offers guests lunch and dinner in a relaxed atmosphere with great service. The dining space uses natural materials and full-length glass windows to make the most of the spectacular panoramic views of the world-famous Carnoustie Championship course.

The Rookery is open for everyone to enjoy. It is the perfect dining environment for groups, couples and families.

With a focus on local, seasonal produce, the dishes feature the very best of Scottish food. Chris has worked to devise a menu that showcases what the surrounding land and sea has to offer, getting to know local suppliers and understanding exactly where each ingredient comes from. The menu changes regularly to reflect the seasons and availability.
